

WELCOME TO ENERGIZE WIND RIVER

INTRO TO ONBOARDING:

Thank you for choosing Energize Wind River Services, where we're committed to powering your life sustainably and efficiently. EWR is a community solar initiative dedicated to solar installation and electrification programs specifically for the Wind River Communities.

Energize Wind River's simple onboarding process will help EWR guide you through setting up your account, assisting in selecting the perfect service for your household electrical usage, and schedule any necessary site surveys or consultation needs.

Along the way you'll find helpful tips and important information about how to maximize your benefits with Energize Wind River Services.

Thank you again, and welcome!

Energize Wind River Tribal Empowerment Initiatives

Energize Wind River Tribal Empowerment initiatives are designed to strengthen Tribal Communities by promoting Self-determination, Economic Development, and Cultural Preservation. These Initiatives often focus on education, healthcare, infrastructure, and preserving Tribal Sovereignty.
